A trolley system is available to reach virtually any downtown location, every 10 minutes.

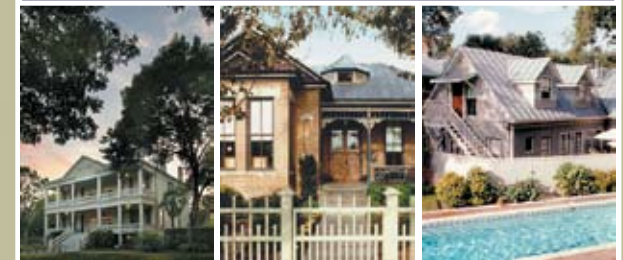

All 3 of our inns are located near the intersection of Durango Blvd. and S. St. Mary's Street downtown, a major intersection with a traffic light.

To reach **The Oge House** or **Aaron Pancoast Carriage House** from S. St. Mary's St., take the first right turn onto King William St. and almost immediately angle right onto Washington St., running along the right side of King William Park. At the next stop sign (intersection of Washington, Pancoast and Turner Streets), The Oge House is in front of you at 209 Washington, and the Aaron Pancoast Carriage House is around the corner to your left at 202 Washington. Turn left onto Washington St. to enter either the Oge House or the Carriage House parking areas.

To reach **The Jackson House** from S. St. Mary's St., take the second right turn onto Madison St. The Jackson House is the one on the right at 107 Madison.
